Dear Supervisors:

LOS ANGELES COUNTY SHERIFF'S DEPARTMENT
30-DAY REPORT BACK ON CONTRACT COMPLIANCE STATUS FOR
THE LOS ANGELES COUNTY OFFENDER MONITORING SYSTEM

At the September 10, 2013, Board meeting, the Sheriff was requested to report back every 30 days on contract compliance and program updates for the Los Angeles County Offender Monitoring System (LACOMS) as provided by Sentinel Offender Services, LLC (Sentinel). The current status of the program is outlined below:

- The LACOMS program is currently monitoring 121 inmate workers assigned to 23 patrol stations and 47 inmates assigned to treatment service centers utilizing Global Positioning System and Radio Frequency technology.
- There have been no absconds from treatment service centers since the last report back. The Los Angeles County Sheriff's Department's Major Crimes Bureau is actively investigating all leads in an effort to return the two outstanding program absconders to custody.
- Sentinel continues to provide daily support for the program needs and delivers all monitoring services as required by the contract.
- On February 5, 2015, the LACOMS project manager met with members of the County's Probation Department to review monitoring standards and performance expectations. Both agencies found the meeting to be informative and have agreed to meet on a regular basis to better identify problems and solutions.

A Tradition of Service
